RETIRED STAFF AND ALUMNI CONTRIBUTIONS

The alumni contributes immensely to the overall development of the college in the following ways-

- In the form of financial support to the college.
- Encouragement to meritorious students in the form of cash prizes, awards and material benefits.
- In the form of student encouragement as role model and resource persons on various events.
- The retiree's contribution towards the student community in the form of resource persons during seminars/ conferences. This is considered as an opportunity for the students to make use of their expertise.

The Context: The IQAC has specified in its minutes that the alumni and retiree expertise should be contributed towards the development of the students. The college has conducted a national seminar on "Missionaries contribution to Classical Kannada Language", during which the need for the retiree's expertise in the subject arose. Dr. G.M. Hegde was the resource person. Similarly the department of History conducted a workshop on Modi script which required the expertise of Dr. M. Y. Savant who was trained in it. He was the only person in this part of the state who could read the script.

The alumni have contributed in cash and kind towards the development of the college.

Practice:

The alumni has contributed to the development of institution in a unique way by donating towards energy conservation (Solar Panel).They have also accorded cash prizes to meritorious students. They are apt role models to the current students. They have also donated towards new computers and building renovation. They also provide expertise as resource person when the need arises. Certain eminent members of alumni Shri Anand kumar Magdum, Shri Arun Joshi, Prof. Ramchandra Hegde, Smt. Sharanamma Gorebal, Dr. Mira

Naik, Shri. Mehboobsab, Shri. Satish, Smt. Shabana Pathan , Shri. Praveen Pol and others have worked hard towards the development of the college.

The retiree members are present during National and Literary festivals thereby they contribute to the development of the students.

Evidence of Success:

The students are highly motivated by the involvement of the alumni and retirees in various activities. Especially during literary and academic programmes the guidance of the retirees is huge support to the staff. The Golden Jubilee celebration was much supported by the alumni and retirees.

Problems encountered and Resources required:

Sometimes the college has faced the challenges in bringing the alumni and retirees to the college due to their busy work schedules.
